

Center for Digital Curricula, University of Michigan

Professional Development Offerings: Objectives & Plans

Learning to Effectively Use Deeply-Digital Curricula Provided by the Center at the University of Michigan

Dr. Anne Tapp, Director of Professional Development, Saginaw Valley State University

Dr. Elliot Soloway, Co-Director, Center for Digital Curricula, University of Michigan

Dr. Cathie Norris, Co-Director, Center for Digital Curricula, University of North Texas

The professional learning programs, below, will ensure that teachers are able to use the Center's deeply-digital curricula and its Collabify Roadmap Platform effectively for teaching and learning.

- **PD1A: Using Deeply-Digital Curricula for Seamless Teaching and Learning: In the Classroom and/or At Home:**
 - *Objective:* Able to Use Roadmaps for Seamless Teaching and Learning
 - *Topic:* Explore using Roadmaps and the Collabify Roadmap Platform
 - *Coverage:* July 15, 2020 to End of School 2021.
 - Live, Synchronous Webinar, 2 Hours: Overview of Roadmaps
 - Asynchronous, Home Study, Roadmap Tutorials, 4-6 Hours
 - Live, Synchronous Webinar, 2 Hours: Reflections On Roadmaps
 - (Potentially) Face-to-Face, Onsite, Seminar in August 2020
 - Coaching Support: Ongoing During School Year - Weekly Office Hours
 - Tech Support Email Hotline - 12-hour (Max) Response Time
 - Separate Repository for the District's Roadmaps in the Collabify Roadmap Platform
 - Asynchronous Tutorial Videos – As Needed
- **PD1B: Parents (School Parent Night)**
 - *Objective:* Parents Gain an Understanding of Roadmap Curricula and Platform
 - Asynchronous, Home Study, Roadmap Tutorials, 2 Hours
 - Live, Zoom Participation in School's Parent Night
 - Asynchronous Tutorial Videos – As Needed
- **PD1C: Students**
 - *Objective:* Students Gain an Understanding Of Roadmap Curricula and Platform
 - Asynchronous, Home Study, Roadmap Tutorials, 2 Hours
 - Asynchronous Tutorial Videos – As Needed
- PD1 (PD1A, PD1B, PD1C): Please contact Elliot Soloway, digitalcurricula@umich.edu, for pricing
- **PD2: Classroom Use of Curricula (Grade Level & Subject Specific)**
 - *Objective:* Able to Manipulate the Roadmap Curricula for Their Needs
 - *Topic:* Review using subject-specific Roadmaps for seamless teaching and learning, e.g., Eureka/EngageNY Math, MC3/MAISA Social Studies, NGSS-Aligned Science.
 - *Coverage:* July 15, 2020 to End of School 2021.
